R E P O R T

[To accompany H. J. Res. 238]

The Committee on Ways and Means, to whom was referred the resolution (H. J. Res. 288) entitled "Joint resolution to permit articles imported from foreign countries for the purpose of exhibition at the New York World's Fair 1939, New York City, N. Y., to be admitted without payment of tariff, and for other purposes", having had the same under consideration, report it back to the House with an amendment and recommend that the resolution as amended do pass.

The committee amendment is as follows:

Strike out the period at the end of line 15 on page 3, insert a comma and the following:

and that the actual and necessary customs charges for labor, services, and other expenses in connection with the entry, examination, appraisement, release, or custody, together with the necessary charges for salaries of customs officers and employees in connection with the supervision, custody of, and accounting for articles imported under the provisions of this Act, shall be reimbursed by the New York World's Fair 1939, Incorporated, to the Government of the United States under regulations to be prescribed by the Secretary of the Treasury, and that receipts from such reimbursements shall be deposited as refunds to the appropriation from which paid, in the manner provided for in section 524, Tariff Act of 1930.

The resolution, as amended, conforms to the usual form of resolutions heretofore passed by Congress to permit the free entry of articles for exhibition purposes, and is in the form heretofore approved by the Treasury Department.
